MANOJ KUMAR M

PROFESSIONAL SKILLS

- HTML (intermediate)
- CSS (intermediate)
- Javascript (intermediate)
- Python (intermediate)

LANGUAGE

- English (Fluent)

AREA OF INTEREST

- Data Structure and algorithm
- OOPS

CAREER OBJECTIVE

To work for a organization which provides me the opportunity to constantly improve my skills and knowledge and to work efficiently with teammates for solving various problems in work along with the growth of the organization and to explore new ideas in my area of interest.

I love exploring new technologies, I like to stay on top of latest trends. I try to leave every line of code I write more readable, accessible, and modular.

PROJECT

Portfolio website

Have created a responsive portfolio website for my personal use. Used technologies like html, css, javascript and host using github

https://pathwaymk.github.io/My_portfolio_website/app.html
